MEMORANDUM FOR RECORD

SUBJECT: Software Communications Architecture (SCA) version 2.2.1

1. Reference: Software Communications Architecture Specification v2.2 (Superseded)
2. The following documents and their appendices constitute the SCA version 2.2.1 release:
 - a) Software Communications Architecture Specification v2.2.1
 - b) Application Program Interface Supplement to the Software Communications Architecture Specification v2.2.1
 - c) Security Supplement to the Software Communications Architecture Specification v2.2.1
3. SCA 2.2.1 includes changes approved by the JTRS Configuration Control Board meeting on 09 March 2004.
4. SCA 2.2.1 supersedes all earlier versions of the SCA and is to be the basis for future acquisition actions.
5. My points of contact are Steve Prewitt at 703-696-1063 or email address Charles.Prewitt@hqda.army.mil and Mike McClimens at 703-588-1050 or email address Mike.McClimens@hqda.army.mil.
